

AMOÉBA announces that the decision of the US EPA on the registration of the biocidal active substance is expected to take place at the end of August 2019

Lyon (France), June 19th, 2019 - AMOÉBA (FR0011051598 - AMEBA), producer of a biological biocide capable of eliminating bacterial risk in water and human wounds, and a biocontrol product for plant protection, announces that the decision of the US Environmental Protection Agency (EPA) on the registration of the biocidal active substance is expected to take place at the end of August 2019

As a reminder, in March 2019, the EPA informed the Company that the scientific review was still ongoing (refer to press release of March 28, 2019).

On June 18, 2019, the EPA informed the Company that the final decision would be notified to the Company before the end of August 2019.

As soon as the EPA's decision is known, Amoéba will release this information through a press release.

About AMOÉBA:

Amoéba's ambition is to become a major player in the treatment of bacterial risk in the fields of water, healthcare and plant protection. Our biological solution is an alternative to chemical products widely used today. Amoéba is currently focusing on the market of industrial cooling towers estimated at €1.7Bn ⁽¹⁾ on a global chemical biocide market for water treatment, evaluated at €21Bn ⁽²⁾ and on the biocontrol market for plant protection estimated globally at €1.6Bn ⁽⁴⁾. In the future, the Company is looking at developing new applications such as chronic wound care, estimated at € 751 million ⁽³⁾ in the USA. Sales of associated products with healthcare, biocides and crop protection are subject to the Company being granted local regulatory market authorizations. The Company is currently in a trial phase for biocidal and plant protection applications and does not market any products.

Created in 2010, based in Chassieu (Lyon, France) with a subsidiary in Canada and in the United States, Amoéba is quoted on the compartment C of Euronext Paris. The Company is a member of the BPIfrance Excellence network and is eligible for the PEA-PME SME equity savings plan setup. More information on www.amoeba-biocide.com.
