

AMOÉBA announces the availability of the 2019 Universal Registration Document including the Annual Financial Report

Lyon (France), April 30, 2020 - AMOÉBA (FR0011051598 - AMEBA), producer of a biological biocide capable of eliminating bacterial risk in water and human wounds, and a biocontrol product for plant protection, still in a testing phase, announces that the 2019 Universal Registration Document was filed with the French Financial Markets Authority (Autorité des marchés financiers-AMF) on April 30, 2020 under number D.20-0416.

The document may be viewed or downloaded on the company's website www.amoeba-biocide.com under section " Investors / Regulatory information and financial documents/ Reference Document ". Copies of the Registration Document are also available at the company's headquarters: 38, avenue des frères Montgolfier, 69680 Chassieu, France.

The 2019 universal Registration Document includes:

- the Annual Financial Report comprising the consolidated financial statements, the parent company financial statements, the management report and the related statutory auditors' reports
- the Board of Directors' corporate governance report.

It provides updated information on the Group's situation with regard to the Covid-19 health crisis and its present and potential impacts on its business and performance, in particular in section 7.1 "Situation Financière" (p.156) and section 10.1 "Principales tendances depuis la fin de l'exercice" (p.182).

About AMOÉBA:

Amoéba's ambition is to become a major player in the treatment of bacterial risk in the fields of water, healthcare and plant protection. Our biological solution is an alternative to chemical products widely used today. Amoéba is currently focusing on the market of industrial cooling towers estimated at €1.7Bn ⁽¹⁾ on a global chemical biocide market for water treatment, evaluated at €21Bn ⁽²⁾ and on the biocontrol market for plant protection estimated globally at €1.6Bn ⁽⁴⁾. In the future, the Company is looking at developing new applications such as chronic wound care, estimated at € 751 million ⁽³⁾ in the USA. Sales of associated products with healthcare, biocides and crop protection are subject to the Company being granted local regulatory market authorizations. The Company is currently in a trial phase for biocidal and plant protection applications and does not market any products.

Created in 2010, based in Chassieu (Lyon, France) with a subsidiary in Canada and in the United States, Amoéba is quoted on the compartment C of Euronext Paris. The Company is a member of the BPIfrance Excellence network and is eligible for the PEA-PME SME equity savings plan setup. More information on www.amoeba-biocide.com.
